about_zahra.txt

hi, i'm zahra.

I work across content, creative, and communication — from developing visual ideas and social media content to supporting events, campaigns, and brand collaborations.

I enjoy the hands-on side of creative work: preparing, creating, editing, organizing, and turning an idea into something ready to share.

from idea to publish

Good content is not only about the final visual.

note.txt

It is also about the details behind it — preparation, consistency, timing, and making sure everything is ready before it goes live.
