ABOUT ME

I work across content, creative, and communication — from developing visual ideas and social media content to supporting events, campaigns, and brand collaborations.

I enjoy the hands-on side of creative work: preparing, creating, editing, organizing, and turning an idea into something ready to share.

Good content is not only about the final visual.

It is also about the details behind it — preparation, consistency, timing, and making sure everything is ready before it goes live.
