hi! i'm

zahra.

I'm a creative and marketing enthusiast with experience in content creation, social media, graphic design, event management, and brand partnerships.

With a background in agricultural community development, I've had the opportunity to work across different environments—from student organizations and research projects to building a wellness community through Sawala Space.

I enjoy turning ideas into clear, engaging, and purposeful

featured project

sawala space

Wellness Community & Event Organizer

As a co-founder, I contribute to the creative and marketing side of Sawala Space, from developing event concepts and promotional content to managing brand partnerships and supporting event execution.

documentation

beyond creative work

My creative experience also grew through student organizations, academic projects, and collaborative work.
